8/16/68

Dear Mr. Brown,

Your interesting letter of 8/14 arrived todey.

If you can go any further, you know how fasdinated I am.

However, as of now I am not convinced the dead Dreyfus was wired both ways.

When you are in touch with the Archives, I'd appreciate it if you'd get a Xeroxed copy of that page, for what you sent is tom much for my eyes.

Internal evidence on that page can be taken both ways.

Many thanks.

Sincerely

Harold Weisberg
